

CEM-2016

**Colloquium on
Emerging Metabolomics**

July 25-27, 2016 • Las Vegas, USA

• CEM-2016 •

"An unheard spoken language, unseen broadcasting signals from the genetic architecture and the environment providing a functional readout launching a world class stage"

Our aspiration is to gather the peer researchers, young inspired scientists, academicians and industrialists to meet, discuss and share the knowledge that's still more to be revealed. Gain and grab the knowledge...

Hereby CEM-2016 takes the honor to announce the various disciplines with shared interests within the development of latest approaches for metabolomics. We gladly welcome attendees all around the world to feel as hearing of the foremost recent innovations and inventions in metabolomics.

Best Wishes

CEM-2016 Scientific Committee

Robert H. Weiss
University of California, USA

Neli Ulrich
University of Utah, USA

Leo L. Cheng
Harvard Medical School, USA

Smiti Vaid Gupta
Wayne State University, USA

• Conference Topics •

Metabolomics in Oncology

- Cancer metabolomes
- Cancer Diagnosis
- Biomarkers identification
- Staging in cancer

Pharmacometabolomics

- Personalized medication
- Monitoring alterations in Metabolic Pathway
- Human Metabolome Database
- Control on Drug Abuse

Metabolomics Technical Infrastructure

- NMR Metabolome Analysis
- Liquid Chromatography-mass spectrometry (LC-MS) targeted Metabolomics
- Electro-Chemical detection of Metabolomes
- Liquid Chromatography

Animal Metabolomics

- Phenotypic description of animal models for Human diseases
- Husbandry and Animal Nutrition

Role of Metabolomics in Agriculture Development

Environmental Metabolomics

Bioinformatics

Microbial Metabolomics

• CEM-2016 •

Important Dates

- Conference Dates: July 25-27, 2016
- Abstract Submission Opens: October 12, 2015
- Registration Opens: October 19, 2015
- Mid Registration Ends: May 13, 2016
- Late Registration Ends: June 24, 2016
- Onspot Registration: July 25, 2016

CEM-2016 Special Features

- Panel discussions
- Interactive poster session
- Collaborations
- Networking during customized social hours
- Emerging Researcher Forum
- Poster Competition

WHY CEM-2016?

- Discover new and cutting-edge research
- Unparalleled visibility for your science
- Network with your peers
- Advance your career

Registration

All participants, except non-attending co-authors, must pay the appropriate registration fee.

Category	Academics	Delegate/ Industry	Student
	\$ 670	\$ 860	\$ 299

Accommodation	Single Occupancy	Double Occupancy	Triple Occupancy
	\$ 375	\$ 400	\$ 425

To register online <http://cemetabolomics.com/register>

Your registration includes:

- Access to main conference sessions, exhibits, poster sessions and round table discussions*
- Conference material*
- Lunch, tea / coffee breaks during the conference days*
- WiFi in meeting rooms*
- Complimentary parking*

Accommodation includes:

- Complimentary Wi-Fi in the guest rooms*
- Complimentary Full American breakfast*
- Complimentary shuttle back and forth to the airport, as well as the Tropicana hotel on the Strip*
- Complimentary one hour reception for beer, wine and well drinks (Monday or Tuesday)*

Support the event and take the advantage of getting connected with your target audience!

The United Scientific Group (USG) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

CEM-2016 three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.

Las Vegas

unbelievable expansion since it emerged from the desert over 100 years ago. Roller Coasters, World Renowned Art Exhibits, Spectacular Thrill Rides, Museums, the Mirage Volcano, the Paris Las Vegas Eiffel Tower, the Bellagio's Dancing Fountains, the Stratosphere Tower, are just a few of the many attractions the City of Las Vegas has to offer! Red Rock Canyon National Conservation Area and Grand Canyon National Park offers enticements of a different nature including scenic drive, hiking trails, rock climbing, horseback riding, mountain biking, road biking, picnic areas, nature observing and visitor center with exhibit rooms and a book store. The viewpoints are heart stirring and mind-boggling. The Las Vegas Strip, the most exciting place on Earth is a must visit.
